Varsity Accounting Practice

I have recently listed a boutique sized Accounting Practice. Please see the key points below:

- \$700,000 turn over for 2015/16
- Owner nearing retirement age
- 5 staff practice including Financial Planner
- 100% electronic filing
- 300+ Business Clients
- Broad base of small business clients across Gold Coast region
- Currently leasing office in Varsity with another 2 years left on lease
- Loyal staff who have been with the owner for 5+ years.

Sale Price= \$700,000

The owner of this practice is looking to retire and is now content to sell the business. Over the last 10 years, the owner has built the practice from a \$350K fee to today's \$700K purely through word of mouth. The owner has invested little money in advertising, instead focusing on strong service and a solid reputation. The owner also states that the potential rate of retention of his existing staff will be very high due to their own personal circumstances (living close to work etc). The owner is willing to give a thorough hand over for a period of time that is mutually beneficial for both parties.

The business is located in the heart of varsity, a stones throw away from Robina Shopping Centre, and what is now a thriving business community.
